# Welcome

From the "Pearl of the Mediterranean"; Alexandria - Egypt, the Faculty of Pharmacy, Alexandria University is pleased to welcome you to participate in the wonderful cozy atmosphere of the International Conference on "Pharmaceutical and Healthcare Sciences, PHS 2022". Following the great success of the previous conference PHS-2019 and the successive PHS-2020 & 2021 webinars, we are honored to welcome you in PHS-2022, which will be held in Hilton Green Plaza, Alexandria Egypt on 23-24 November 2022. PHS-2022 will continue involving valuable talks, fruitful discussions, oral and poster presentations as well as effective workshops covering many emerging topics related to pharmaceutical sciences, healthcare future vision and pharmacy practice. The PHS-2022 will provide an optimal environment for distinguished speakers, eminent scientists, industry leaders & representatives, researchers, entrepreneurs, students, and other healthcare professionals to gather, present their work, share their experience, and discuss it with their peers. In addition, PHS-2022 will gather a selected constellation of pharmacy and health care providers in a huge distinctive exhibition area in order to create an interactive atmosphere between academia and the industry. For those who joined us in PHS-2019, we would be very pleased to see you again in PHS-2022 and would be very grateful for your contributions. Those having their first "PHS" experience, we promise that it is going to be a very enriching, pleasant and memorable experience.
